

## Skinie Toei

Born 1995 July 23 as Siqiniseko Mbonambi in the small city of Stanger, right outside Durban, KwaZulu-Natal, Skinie is an upcoming Rapper/Lyricist slowly making waves in his home city. Inspired by the exceptionality of Lil Wayne and Ludacris in the game, he began making music in the year 2011. Growing up in a Zion Christian family and having a Priest as a father, Skinie had a hard time perusing his music career for he was expected to follow his father's footsteps.

In the year of 2014, he made a conscious decision to drop out of varsity for the purpose of shifting his focus entirely on his music. In the midst of that, challenges arose, one of which his father lost his job, therefore setting heddles along Skinie's way of making music. He had no other choice but to put his career on hold and get a 5 to 9 job to financially assist his family.

Knowing his artistic capabilities, he has been approached by 3 major record labels in S.A, for his belief in independency as an artist, he rejected these record labels. He says it would take a special kind of deal to get him to sign his independency away. The 21 year old Rapper promises to bring a different sound in the Hip Hop scene.
